

Call for Proposals

(Emerging Technology towards Commercialization in Pakistan)

STEDEC Technology Commercialization Corporation of Pakistan is a federal government entity working under the auspices of Ministry of Science and Technology. STEDEC is mandated to assist the national R&D organizations/institutions and Academia towards commercialization/marketing of their indigenously researched products, processes and technologies.

STEDEC invites the proposals of emerging technologies, processes and products etc, which are ready to be commercialized from the individuals, academia, R&D organizations or industry, broadly in the following specific domain:

- Health Sector, particularly relating to Covid-19
- Agriculture
- Renewable Energy, Energy Efficient Products
- Environment technologies and Sustainable Development
- Manufacturing
- Industrial and Urban Development
- Construction

The prime objective of this call is to promote those emerging technologies, which by virtue of their commercialization value can be marketed and scaled up in the local market. This is the way forward towards attracting the interest of potential investors, business forums and market people towards emerging technologies, presently being developed in the country. As a National Technology Commercialization Organization, STEDEC aims at seeking desired import substitution in the country and the shifting the impacts of technology towards national economy.

In context with the above, the specific proposals can be submitted to STEDEC by filling Technology Profile Form (specifically developed for this purpose), which can be downloaded from STEDEC's website www.stedec.com.pk/onlineform OR can be received from STEDEC head office at Gulberg III, Lahore. The proposals may contain photographs, videos or other modes of presentation as part of the proposals. Subsequently, a team will evaluate the received proposals and the shortlisted amongst those will be posted at STEDEC website and/or will be selected for conducting demonstrations before the relevant stakeholders.

LAST DATE OF SUBMISSION IS 10th MAY, 2021

Address for proposal submission

STEDEC Complex, Adj. Aiwan e Science Building, Main Ferozepur Road, Lahore
